NOTES: When the substantial gainful activity (SGA) level is periodically raised, SSI recipients with earnings below the increased SGA level become eligible for regular SSI benefits rather than the special cash payments under section 1619(a). This change in status is reflected in the decreases in 1619(a) participants shown for 1990, June 2001, December 2001, and December 2002.
